# 1 Introduction

- 1.1** The purpose of this document is to summarise the corporate governance structure within the Payment Systems Regulator Limited (the PSR). The corporate governance structure defines the way in which the PSR is constituted, directed and controlled by its governing body, the Board. It specifies the distribution of rights and responsibilities from the Board to the committees to which it delegates, to various other committees carrying out particular regulatory functions and to executive level. In order to do this the document outlines how the PSR is constituted, the role of the Board, the Chair, the Managing Director, the Directors, and the Secretary and sets out which decisions are reserved specifically to the Board (the Schedule of Matters Reserved to the Board) and the process by which the Board delegates some other responsibilities to committees or individuals.

## 2 The PSR's constitution and history

- 2.1** The PSR is a company limited by shares (Company No. 8970864), incorporated on 1 April 2014. The PSR was set up by the Financial Conduct Authority (FCA) due to the requirements in the Financial Services (Banking Reform) Act 2013 (FSBRA). The PSR must comply with the requirements contained in Schedule 4 of FSBRA regarding how it is constituted.
- 2.2** The PSR is governed by a Board with members comprising: a Chair and a Managing Director appointed by the FCA acting with the approval of HM Treasury (Treasury); and other members appointed by the FCA.
- 2.3** FSBRA requires that the PSR has a number of accountability measures in place, including the requirement to report annually to the FCA on the extent to which the PSR has advanced its payment systems objectives.
- 2.4** The PSR is required to make and maintain effective arrangements for consulting participants in regulated payment systems and those who use, or are likely to use, services provided by regulated payment systems. One way it does this is through the operation of the Payment Systems Regulator Panel (the Panel). More information about the work of the Panel can be found on the [website](#).

## 3 The role of the Board

**3.1** The Board is the governing body of the PSR. It sets the PSR's strategic direction and ensures the long-term success of the PSR. It ensures through liaison with the FCA, pursuant to the latter's duty, to take such steps as are necessary to ensure that the PSR is, at all times, capable of exercising its functions and that the necessary financial and human resources are in place for the PSR to meet its statutory objectives.

**3.2** The Board's role includes:

1. Determining the matters that should be reserved to it for decision, which shall include the exercise of the PSR's functions of giving general directions and imposing generally imposed requirements under sections 54 and 55 FSBRA and other matters as set out in the Schedule of Matters Reserved to the Board from time to time. The Schedule of Matters Reserved to the Board is set out in this governance document.
2. Making strategic decisions affecting the future operation of the PSR.
3. Overseeing the discharge by the executive management of the day-to-day business of the PSR.
4. Setting appropriate policies to manage risks to the PSR's operations and the achievement of its regulatory objectives.
5. Seeking regular assurance that the system of internal control is effective in managing risks in the manner it has approved.
6. Maintaining a sound system of financial control.
7. Taking specific decisions, outside those specified in the Schedule of Matters Reserved to the Board, which the Board or executive management consider to be of a novel or contentious nature or to be of such significance that they should be taken by the Board.
8. Maintaining high level relations with other organisations and authorities, including government, the Financial Conduct Authority, the Prudential Regulation Authority, the Bank of England and the Competition and Markets Authority.
9. Establishing and maintaining arrangements to ensure accountability regarding decisions of committees of the Board and executive management, through periodic reporting.

**3.3** In order to discharge its duties effectively the Board normally meets at least six times a year. Additional meetings of the directors are held as required. The quorum needed for business to be carried out is four directors as set out in the Articles.

**3.4** The Board members may request information from any employee of the PSR, or of the FCA who is undertaking work in relation to the PSR, and this includes calling any employee to attend a Board meeting to answer questions on a particular matter.

**3.5** Any Board member who requires professional advice on a matter relating to their duties on the Board may make a request to the Secretary to have direct access to the PSR's professional advisers. If the Board member considers it essential to receive independent professional advice on a matter, this may be obtained at the PSR's expense within reasonable financial limits after reference to the Chair.

## 4 The role of the Chair and Managing Director

**4.1** The UK Corporate Governance Code (the Code) states that there should be a clear division of responsibilities at the head of any organisation between the running of the Board and the executive responsibility for the running of the organisation. No one individual should have unfettered powers of decision. The division of responsibilities between the Chair and Managing Director, which are clearly established, are set out in writing below and may only be changed with the agreement of the Board.

**4.2** The responsibilities of the Chair and Managing Director are not exercised by the same individual and are clearly defined. The Board will review the objectives for both the Chair and the Managing Director annually to ensure that there is a clear division between their duties.

**4.3** The key responsibility of the Chair is leading an effective Board, in particular through:

- facilitating the running of the Board.
- ensuring that the Board meets with sufficient frequency.
- fostering an open, inclusive discussion which challenges executives, where appropriate.
- ensuring that the Board devotes sufficient time and attention to the matters within its remit.
- helping to ensure that the Board and its members have the information necessary to perform its and their tasks.
- maintaining and developing a productive relationship with the PSR Managing Director.
- with the Managing Director, leading the communication of PSR policies with a wide range of consumers and other stakeholders.
- evaluating the performance of the Board and individual directors.
- acting as a focus for the accountability of the PSR, for example, giving evidence to Parliamentary select committees and communicating with Government ministers on significant issues.

**4.4** The Chair has no executive responsibility for the day-to-day running of the PSR but undertakes their responsibilities as Chair by fostering the relationships between executive and non-executive directors. In addition, the Chair ensures that the PSR's strategy is formulated clearly and is well understood internally and externally.

**4.5** The Chair provides a source of counsel and challenge to the Managing Director on how the PSR is run. In particular, the Chair will be involved in discussions with the Managing Director on key issues in relation to the business of the organisation and in maintaining and developing a productive relationship with the PSR Managing Director. The Chair has an important externally facing role with stakeholders.

- 4.6** To enable the Chair to undertake their duties and represent the PSR publicly, the Managing Director ensures that the Chair is properly briefed on PSR business.
- 4.7** The Chair and Managing Director discuss all major issues and emerging policies through frequent meetings, and specifically discuss any contentious matters or those likely to set significant precedent.
- 4.8** The Managing Director is responsible for implementing the strategy agreed by the Board, in the formulation of which the Managing Director will have played a major part.
- 4.9** The Managing Director is responsible for the leadership of the organisation and managing it within the authorities delegated by the Board. All PSR staff, other than the Chair's immediate staff and the Company Secretary, ultimately report to the Managing Director.
- 4.10** The key responsibilities of the Managing Director include:
- reporting regularly to the Board with appropriate timely and quality information so the Board can discharge its responsibilities effectively.
  - informing and consulting the Chair on all matters of significance to the Board so that the Chair and the Board can properly discharge their responsibilities.
  - developing and delivering the strategic objectives agreed with the Board.
  - recommending to the Board significant operational changes and major capital expenditures where these are beyond the Managing Director's delegated authority.
  - assigning responsibilities clearly to senior management and overseeing the establishment of effective risk management and control systems.
  - recruiting, developing and retaining talented people to work at the PSR and, in particular, establishing a strong management team which is fairly and fully evaluated.
  - communicating throughout the PSR the strategic objectives and the values of the PSR agreed with the Board and ensuring that these are achieved in practice.
  - sharing with the Chair and with other members of the PSR senior management the responsibility for communicating the PSR's messages externally.

## 5 The role of the non-executive directors (NEDs)

**5.1** The non-executive directors (NEDs) make up the majority of the Board and have a variety of skills and experience that are appropriate for the requirements of the PSR.

**5.2** The key responsibilities of NEDs are:

- constructively challenging and helping to develop the strategic direction of the organisation.
- scrutinising the performance of the organisation in meeting agreed goals and objectives and monitoring reporting.
- holding the Managing Director to account for the PSR's performance and providing appropriate challenge, leadership and mentoring to the Managing Director and executive team.
- ensuring that the regulatory powers and responsibilities specifically reserved to the Board by legislation are exercised appropriately.
- ensuring the PSR complies with all relevant good governance practices and legislative requirements and acts within the provisions of its Articles.
- developing, promoting and acting at all times in the best interests of the PSR.
- assisting in maintaining high-level relations with the PSR key stakeholders.
- ensuring appropriate policies are in place to manage risks to the organisation's operations and the achievement of its strategic objectives.
- devoting time to developing and refreshing their knowledge and skills.
- working with the executive and other board members on key issues.

**5.3** The Board appoints one of the NEDs to be the Deputy Chair to provide a sounding board for the Chair and to serve as an intermediary for the other directors when necessary.

**5.4** The key responsibilities of the Deputy Chair include:

- acting as a channel of communication between the NEDs and the Chair, if required.
- meeting with the NEDs at least once a year to appraise the Chair's performance.
- assisting the Chair to develop a formal internal Board effectiveness evaluation process, the themes to be discussed and agreed by the Board.
- being available to key stakeholders and the public if they have concerns which contact through the normal channels of Chair, Managing Director or other senior executives has failed to resolve or where such contact is inappropriate.
- taking a role in the recruitment of a new Chair.
- taking a role in the recruitment and induction of new NEDs.
- taking a role in the recruitment of senior executives, as appropriate.

- deputising for the Chair as required.
- taking a leading role on pieces of work as delegated by the Chair.

**5.5** In the event of any conflict of interest arising, whether personal or professional, all appropriate steps will be taken to protect both the director and the PSR and to ensure that all decisions are taken without any suggestion of undue influence.

**5.6** The NEDs meet privately with the Chair which gives them an opportunity to discuss any concerns they may have without the executive present.

**5.7** The PSR, its directors and staff (including any officer or member of staff of the FCA who is, or who is acting as, an officer or member of staff or to whom any functions have been delegated), benefit from exemption from liability for damages for anything done or omitted in the discharge, or purported discharge of the PSR's functions (FSBRA Schedule 4, section 14). The PSR supplements this with indemnities in favour of individual directors.

## 6 The role of the Secretary

- 6.1** The Board is responsible for the appointment and removal of the Company Secretary, who is accountable to it through the Chair.
- 6.2** The Secretary provides a source of advice to Board members and is responsible for ensuring that Board procedures are followed and that applicable internal rules and regulations relating to the operation of the Board are met. In addition, the Secretary is responsible for maintaining this document and ensuring good information flows within the Board and its committees, as well as between senior executive management and NEDs. The Secretary will also arrange appropriate induction and training for all Board members.
- 6.3** The Secretary ensures that the business of the Board is compliant, where appropriate and applicable, with the UK Corporate Governance Code, the Companies Act, the Financial Services (Banking Reform) Act and all other relevant regulations and legislation.
- 6.4** The Secretary also keeps under review all legal and regulatory developments affecting the operations of the PSR and makes sure that the directors are properly briefed about them.

# 7 Delegation of authority by the Board

**7.1** The Board retains all decision-making powers except those which it has delegated to either a committee or an individual. The Schedule of Matters Reserved to the Board decision is set out later in this document.

**7.2** The Board has established certain standing committees to which it has delegated specific duties and decision-making responsibilities:

- 1. The Audit Committee** is responsible for reviewing and providing assurance to the Board on matters including the effectiveness of the PSR's internal controls, risk management and mitigation strategies, the integrity of the financial statements in the annual accounts and the statements that relate to financial controls and internal risk, and for oversight of the external audit process.
- 2. The Risk Committee** is responsible for supporting the Board in meeting its responsibilities for an effective system of risk management and appropriate assurance of the adequacy and effectiveness of the PSR's system of regulation.
- 3. The People Committee** is responsible for approving, overseeing and reviewing the PSR's employment framework.
- 4. The Enforcement Decisions Committee (EDC)** acts as decision maker in any particular case arising where the PSR proposes to impose a sanction under FSBRA. The EDC decides whether to impose a financial penalty and/or publish details of the compliance failure.
- 5. The Competition Decisions Committee (CDC)** exercises decision making powers in Competition Act 1998 investigations on behalf of the PSR including decisions on whether there has been a competition law infringement and decisions on whether to impose a financial penalty in respect of an infringement. The functions of the CDC are carried out by the members of the respective FCA committee.

**7.3** Subject to provisions contained in the Articles, the Board may establish other committees, consisting of such members as they think fit, and delegate to those committees the exercise of specific powers, duties and decision-making responsibilities.

**7.4** The Managing Director may exercise any function of the PSR except where:

1. the function is a function reserved by FSBRA to the Board.
2. the function is contained in the Schedule of Matters Reserved to the Board or the terms of reference of the committees of the Board, or
3. it is considered by the Managing Director or any such committee with the appropriate delegated authority that the matter should be referred to the Board

**7.5** When the Board exercises its powers to give general directions under FSBRA section 54 or to impose generally imposed requirements under FSBRA section 55, its decision allows subsequent technical or drafting amendments to be made to the text of the relevant instrument, if they are within the scope of the Board's decision and agreed by the staff member responsible for the instrument and the General Counsel.

## 8 Further delegation of decision-making

- 8.1** The Managing Director may delegate authority (and, if they choose, the authority to make further delegations) to:
1. a committee, sub-committee, officer or member of staff of the PSR
  2. an officer or member of staff of the FCA
- 8.2** Where functions vested in the Managing Director are exercisable by him/her through a committee, that committee may similarly delegate that authority to one or more individuals or PSR committees. However, any new delegation must provide for:
1. decisions to be made at an appropriate level.
  2. a clear line of accountability to the Board.
  3. any person with authority to take a decision to be entitled instead to refer it to a person or committee which is more senior.
  4. appropriate procedures for decision making to be in place.
- 8.3** The nature and scope of delegations should be recorded centrally.
- 8.4** Existing delegations of authority to take decisions within the executive management structure remain in force until replaced by new delegations.
- 8.5** A person nominated by the Chair may discharge any function in any case of urgency where it is not practicable for the Board, Chair, Managing Director, or other executive Board member to discharge the function. Any decisions made or actions taken under this provision must be subsequently ratified by the Board.

# 13 Terms of reference of the Enforcement Decisions Committee

## Background and purpose

- 13.1** The Board of the Payment Systems Regulator (PSR) has authorised a pool of persons (EDC members) to be appointed to the Enforcement Decisions Committee (EDC) to act as decision-makers in cases where the PSR considers that a compliance failure has occurred and recommends the following sanction(s):
- Publication of the details of a compliance failure by a participant in a regulated payment system under section 72 FSBRA; and/or
  - Requiring a participant in a regulated payment system to pay a penalty in respect of a compliance failure under section 73 FSBRA.
- 13.2** The compliance failure may be a failure to comply with one or more PSR directions (general or specific) given under section 54 of the Financial Services (Banking Reform) Act 2013 (FSBRA); PSR requirements imposed by the PSR under section 55 FSBRA; and/or PSR requirements to grant access to a regulated payment system imposed under section 56 FSBRA. The Board of the PSR has also authorised the EDC members to act as decision-makers in respect of compliance failures relating to certain EU payments legislation for which the PSR is a competent authority. These are described at Annex A of these Terms of Reference.
- 13.3** The purpose of the EDC is to ensure the PSR's enforcement process operates fairly, so that those who investigate compliance failures in any individual case are separate from those who decide whether a compliance failure has occurred and, if so, what sanction, if any, should be imposed.
- 13.4** The EDC exercises decision-making powers on behalf of the PSR Board. The EDC is accountable to the Board in respect of its procedures and general arrangements, but this does not affect its independence in relation to its decisions.
- 13.5** The EDC decides whether to issue warning notices and decision notices imposing sanctions in individual compliance failure cases. Such sanctions include any penalties that should be imposed under section 73 FSBRA and/or the publication of details of the compliance failure and/ or of the penalty imposed (sections 72(1) and (2) FSBRA). Information on the sanctions for compliance failures relating to certain EU payments legislation for which the PSR is a competent authority is set out in Annex A of these Terms of Reference.
- 13.6** An EDC Panel will be appointed to be the decision-makers each time the PSR considers that there is a compliance failure and that the compliance failure should be sanctioned. This means that there may be more than one EDC Panel in place at any one time.

- 13.7** The EDC members and EDC Panels are separate from the PSR's executive management structure. All EDC members, including the Chair and Deputy Chair, are appointed for fixed periods by the Board. The Board may remove an EDC member only in the event of that member's misconduct or incapacity, or with the member's agreement.
- 13.8** The FCA Corporate Services Decision-Making Committees Secretariat (the Secretariat) shall provide administrative services to the EDC, EDC members and EDC Panels in accordance with the Protocol.

## Duties of the EDC members

- 13.9** Each EDC member has agreed to comply with the Code of Conduct of the EDC ("the Code of Conduct"), including its confidentiality obligations.
- 13.10** Each EDC member must make him or herself reasonably available to attend training relevant to their role as an EDC member regardless of whether they are currently sitting on an EDC Panel.
- 13.11** EDC members can be a member of more than one EDC Panel at any one time.
- 13.12** The EDC is a committee of the Board and, in discharging their functions, EDC members must have regard to:
- the PSR's statutory general duties, including its statutory payment system objectives and regulatory principles (where the matter before the EDC concerns a compliance failure relating to FSBRA and the PSR's regulatory requirements made thereunder).
  - the PSR's functions or duties in connection with or arising under EU payments legislation as transposed, implemented or otherwise enacted in the UK (where the matter before the EDC concerns a compliance failure relating to such EU payments legislation).
  - the PSR's published guidance documents, including in particular (in connection with FSBRA) the Powers & Procedures Guidance (PPG), the Penalties Guidance, the Objectives Guidance, and/or any other relevant published guidance, including guidance on the PSR's functions in relation to EU payments legislation (as appropriate).
  - as appropriate, the PSR's published Policy Statements; any general or specific directions issued under section 54 FSBRA; any generally applicable or specific requirements issued under section 55 FSBRA; any orders issued requiring the granting of new access under section 56 FSBRA; any variations of existing access agreements, fees or charges required under section 57 FSBRA; any disposal(s) of interests in payment systems operators and/or infrastructure providers required under section 58 FSBRA; the text of any EU payments legislation for which the PSR is a competent authority (see further Annex A); the text of any UK transposing or implementing measure, or statutory instrument otherwise giving effect to such EU payments legislation; and/or any regulatory requirements put in place by the PSR in the discharge of the PSR's functions as a competent authority; and
  - any prior compliance failures relating to FSBRA which have been sanctioned through the imposition of a penalty under section 73 FSBRA and/or through the publication of details of the compliance failure and/or penalty imposed under section 72(1) and/or (2) FSBRA; and/or any prior compliance failures relating to EU payments legislation for which the PSR is a competent authority which have been sanctioned through the

imposition of sanctions under the relevant legislation assigning those sanctioning powers to the PSR (see further Annex A of these Terms of Reference).

## Conflicts of interest

- 13.13** On appointment by the Board as an EDC member, EDC members must disclose to the Secretariat and the Chair any information (including interests and/or relationships) in relation to conflicts of interest and keep the Secretariat and the Chair informed of any relevant developments (including further interests they acquire) after their appointment as an EDC member.
- 13.14** Each member of the EDC shall comply with the rules and procedures laid down in the Code of Conduct in relation to conflicts of interest.
- 13.15** The Secretariat will record and document all disclosures of potential conflicts of interest and the steps taken to manage them.

## Procedures

- 13.16** The EDC will conduct itself in the manner and may adopt such procedures as the Chair considers suitable and appropriate to enable the EDC to determine fairly and expeditiously any matters which EDC Panels are considering.

## Appointment of EDC Panels

- 13.17** Each EDC Panel is composed of three EDC members. Individual EDC Panels are appointed by the Chair of the EDC (or, in his/her absence, by the Deputy Chair). Either the Chair or Deputy Chair must be a member of each EDC Panel, chairs that EDC Panel's meetings and counts towards that EDC Panel's quorum.
- 13.18** When appointing EDC members to an individual EDC Panel, the Chair will take into account the relevant expertise of those individual EDC members in relation to the specific compliance failure, their availability and any reported conflicts of interest.
- 13.19** If an EDC member has a potential conflict of interest in any matter in which she/he is asked to participate as part of an EDC Panel, she/he must disclose the conflict to the Secretariat and the Chair (including interests and/or relationships). The Chair will decide whether it is appropriate for that EDC member to act on the EDC Panel for the matter in question.
- 13.20** Where appropriate in light of the specific nature of the case, the Chair will ensure that the EDC Panel includes a lawyer.

## Quorum and participation

- 13.21** All three members of an EDC Panel must be present to form a quorum.
- 13.22** The Chair may exceptionally agree that an EDC Panel meeting can be held by teleconference, videoconference or other similar facility which provides the necessary level of privacy. Decisions in relation to the issuing of a warning notice and/or of a decision notice may also be taken in writing including email or other electronic means. The EDC Panel meets in private.

- 13.23** Decisions in relation to the issuing of a warning notice and/or of a decision notice require at least two members of an EDC Panel to be in agreement.

## Functions of the EDC Panels

- 13.24** The functions of individual EDC Panels are to decide, based on their review of the facts and arguments presented in individual cases submitted to the EDC:
- whether to issue a warning notice proposing to impose a sanction(s) on the subject in respect of a compliance failure. In making this decision, the EDC panel will first need to be satisfied that a compliance failure has occurred.
  - whether to issue a decision notice imposing a sanction/sanctions in respect of the compliance failure.
- 13.25** The EDC will decide whether to issue a warning notice based on the evidence and legal assessment submitted by the case team. In exercising its functions, the EDC will consider the draft warning notice and recommendations submitted by the case team, along with the key supporting documents.
- 13.26** In deciding whether to issue a decision notice, the EDC will also consider any written and/or oral representations made by the party/parties (including in respect of whether there has been a compliance failure), and the case team’s response to those representations.
- 13.27** The abovementioned EDC functions will require the EDC Panel, at each of the warning notice and decision notice stages, to decide on the appropriate sanction(s) in respect of a given compliance failure, namely (in respect of FSBRA):
- a. whether to publish details of the compliance failure.
  - b. whether to impose a penalty in respect of the compliance failure and the appropriate amount of any penalty (or proposed penalty) in respect of that compliance failure, having regard to the PSR’s Penalties Guidance in force at the time when the compliance failure occurred; and
  - c. whether to publish details of any penalty imposed.
- 13.28** Individual EDC Panels may decide on any combination of paragraph 13.26(a), (b) and/or (c) sanctions in a given compliance failure case, taking into account the recommendations made by the case team.
- 13.29** EDC Panels do not have a role in individual cases before the case team submit a draft warning notice to the EDC. Once a draft warning notice has been submitted to the EDC, the appointed EDC Panel may liaise and work with the case team with a view to deciding whether it should issue a warning notice. Once a warning notice is issued by an EDC Panel, paragraph 13.38 applies.
- 13.30** Each EDC Panel will consider whether it is appropriate to provide the recipient of warning notice with any underlying material where it is likely to be necessary for the recipient to understand the case against it. The case team may make representations and legal submissions to the EDC Panel where the case team considers that such material cannot be disclosed at all or must be subject to redactions for reasons of confidentiality.
- 13.31** Where an EDC Panel decides that the sanction(s) in respect of a compliance failure will include the publication of details of the compliance failure and/or of details of the penalty imposed, the EDC Panel will decide whether the entire decision notice will be published

(and if so, subject to which, if any, redactions for confidentiality), or whether an abridged or alternative text setting out the relevant and non-confidential details of the compliance failure and/or penalty imposed should be published. Publication will be on the website.

**13.32** EDC Panels do not take any of the following decisions:

- Closing a case on grounds of administrative priority.
- Settling a case.

## Interaction between EDC proceedings and settlement discussions

**13.33** Settlement discussions with the PSR may be initiated at any time. The EDC Panel will be informed when settlement discussions are initiated and in progress, and EDC proceedings will be paused whilst settlement discussions continue.

**13.34** The EDC Panel will not be engaged in any settlement discussions or informed about the content or progress of the discussions, other than being advised that they have concluded successfully or have failed to conclude. In particular, any concessions or admissions made to the case team or PSR Settlement Decision-Makers during settlement discussions will not be shared with the EDC Panel.

**13.35** If settlement discussions are initiated (before or after a warning notice has been issued by the EDC), the matter is taken forward by the PSR Settlement Decision-Makers (rather than by an EDC Panel). If settlement discussions are successful, the PSR Settlement Decision-Makers may decide to issue a warning notice and decision notice (including the imposition of any sanction).

**13.36** If settlement discussions break down, the matter will be referred to the EDC for it to decide whether to issue a warning notice and decision notice on whether a compliance failure has occurred and what sanction(s) to impose.

## Case team and party liaison

**13.37** The Chair, supported by the Secretariat, will act as the main liaison point for the case team, or he/she may designate another member of the EDC Panel in any particular case to act as the main liaison point for the case team.

**13.38** The recipient of a warning notice may continue day-to-day contact with the case team (under the guidance of the PSR official overseeing the case) whilst the EDC Panel makes its decisions.

**13.39** Once a warning notice has been issued by the EDC Panel, the Secretariat will ensure that relevant communications between the EDC Panel and either the case team or the recipient of the warning notice are copied or otherwise notified to the other party.

## Legal, technical and economic input

**13.40** The EDC Panel may seek its own legal, technical, economic and/or other relevant expert advice from PSR staff unconnected to the case team, if it considers that is required in order to enable the EDC Panel to reach its decisions. In such a case, the Chair and the PSR will

discuss the advice which is being sought and the PSR will make appropriate PSR staff unconnected to the case team available to the EDC Panel. In exceptional cases where the necessary additional expertise cannot be provided by PSR staff unconnected with the case, the Chair may, with the agreement of the PSR, seek expert advice from external sources, including from the FCA. Such advice will be paid for by the PSR.

## Oral representations meeting

- 13.41** The Chair will consider a request by a recipient of a warning notice for a meeting at which to make oral representations to the EDC Panel and will consider whether, and when, such a meeting should take place. The Chair will also determine the format and timing of any such meeting. The Chair may decide that a multi-party hearing should take place and/or whether any third parties should be present. Both the recipient of the warning notice and the case team may make oral representations at any such meeting.
- 13.42** During the oral representations meeting, the EDC Panel may ask questions about the written representations made by the recipient of the warning notice, as well as questions of clarification. There is no obligation on the recipient of the warning notice to respond, and it may choose to respond to questions in writing after the hearing.
- 13.43** The Secretariat will record the oral representations meeting and will provide a copy of the recording if requested by either the case team or the party/parties.

## Notice of meetings

- 13.44** The Secretariat will make the arrangements for each EDC and EDC Panel meeting, including confirming the availability of each EDC member.
- 13.45** Unless otherwise agreed with the Chair, confirmation of the arrangements for each EDC Panel meeting shall be forwarded to each EDC Panel member and any other relevant person as soon as practicable before the date of the meeting. The Secretariat will also provide copies of the papers to be considered at the meeting to those who need them.

## Minutes of meetings

- 13.46** The Secretariat will make and retain appropriate records of the meetings held by EDC Panels and of the decisions taken by EDC Panels.

## Resources

- 13.47** The EDC shall have access to sufficient resources in order to carry out its duties including, in particular, the Secretariat.

# 14 Terms of reference of the Competition Decisions Committee

## Background and purpose

- 14.1** The Competition Act 1998 (Competition and Markets Authority's Rules) 2014 (CMA Rules) require separation between: (a) the person who oversees an investigation and decides to issue a notice setting out a proposed finding of infringement of the prohibitions contained in Chapter I or Chapter II of the Competition Act 1998 (CA98) and/or Article 101(1) or 102 of the Treaty on the Functioning of the European Union (the Statement of Objections), and (b) the person who decides whether any supplementary Statement of Objections is required, whether there has in fact been such an infringement (other than in settlement cases) or whether there are no grounds for action and whether to impose a penalty under the CMA Rules.
- 14.2** The Board of the Payment Systems Regulator (PSR) has authorised a pool of persons to be appointed to the Competition Decisions Committee (CDC) that can act as decision-makers in any particular CA98 investigation. In individual cases, a CDC Panel comprised of three CDC members will be appointed to exercise decision-making powers on behalf of the PSR in relation to:
- issuing a Supplementary Statement of Objections (if necessary).
  - issuing an infringement decision (or decision that there are no grounds for action).
  - determining whether to impose a penalty for an infringement of CA98; and/or
  - deciding whether to give directions when it has found an infringement of CA98.
- 14.3** A CDC Panel will be appointed each time the PSR has come to the provisional view that a conduct under investigation amounts to an infringement and has issued a Statement of Objections. This means that there may be more than one CDC Panel in place at any one time.
- 14.4** The CDC and CDC Panels are separate from the PSR's executive management structure. All members of the CDC are appointed for fixed periods by the Board. The Board may remove a member of the CDC, but only in the event of that member's misconduct or incapacity or with the member's agreement.
- 14.5** The FCA Corporate Services Decision-Making Committees Secretariat (Secretariat) shall provide administrative services to the CDC, CDC members and CDC Panels in accordance with the Protocol.

## Duties of the CDC members

- 14.6** Each CDC member has agreed to comply with the Code of Conduct of the CDC.

**14.7** Each CDC member must make him or herself reasonably available to attend training in relation to CA98 regardless of whether they are currently sitting on a CDC Panel.

**14.8** CDC members can be a member of more than one CDC Panel at any one time.

## Functions of the CDC Panel

**14.9** The CDC Panel's functions in a given case are:

- to decide whether to issue any supplementary Statement of Objections.
- based on its review of the facts and arguments presented, to decide whether to issue an infringement decision (other than in settlement cases) or 'no grounds for action' decision.
- to give notice of and decide on the appropriate level of any penalty for an infringement, having regard to the penalty guidance in force for the time being under s38 CA98, based on a proposal put forward by the case team; and
- if it has found an infringement of CA98, to decide whether to impose directions under s32 or s33 CA98.

**14.10** In exercising its functions, the CDC Panel will consider the Statement of Objections, the key documents on the case file, the written and/or oral representations of the party/parties (including attending the oral hearing, described below, or, where a member of a CDC Panel changes after the oral hearing, reviewing the transcript of the oral hearing), and any representations received from third parties on the Statement of Objections issued by the PSR.

**14.11** The CDC Panel does not take any of the following decisions:

- Closing a case on grounds of administrative priority (including if this decision is taken following the issuing of a Statement of Objections).
- Accepting commitments under s31A CA98.
- Issuing interim measures under s35 CA98.
- Settling a case (even if the case settles following the issuing of the Statement of Objections, including taking the infringement decision following any such settlement); and
- Imposing a penalty under s40A CA98 relating to failures of parties to comply with the PSR's information-gathering powers in CA98 investigations.

**14.12** The CDC Panel does not have a role in a case before the issuing of a Statement of Objections.

**14.13** In addition, it is the case team and PSR who are responsible for resolving any issues raised by parties relating to access to file and redaction of confidential information, both in relation to disclosure to addressee(s) of a Statement of Objections and in relation to the publication of any final infringement decision. Such issues are subject to parties' rights to raise complaints with the PSR's Procedural Officer.

## Appointment of the CDC Panels

- 14.14** The CDC Panel in a given case is appointed by ExCo from the CDC members on recommendation from the Procedural Officer once the PSR has issued a Statement of Objections setting out its provisional finding of infringement against one or more parties.
- 14.15** The Procedural Officer shall report to the Board if his recommendation referred in 14 above is rejected by ExCo.
- 14.16** ExCo will designate one of the three appointed CDC panel members to be the Chair of that CDC Panel. The Chair will not have a casting vote.
- 14.17** Each CDC Panel will typically include at least one lawyer and one economist.

## Conflicts of interest

- 14.18** Each member of the CDC shall comply with the rules and procedures laid down in the Code of Conduct in relation to conflicts of interest. The Secretariat will record and document information disclosed in relation to conflicts of interest and the steps taken to manage them.

## Role and Procedures of the CDC

### Duties of the CDC Panel in individual cases

- 14.19** The CDC Panel takes a decision based on all the relevant information available to it, including the views of PSR staff about the relative quality of the evidence. The CDC Panel will direct the case team in the drafting of any supplementary Statement of Objections, draft penalty statement, and/or infringement decision or 'no grounds for action' decision.
- 14.20** Before deciding whether to issue an infringement or 'no grounds for action' decision and/or to issue a draft penalty statement, the CDC Panel may ask the case team to:
- provide a further explanation of the Statement of Objections or any aspect of any PSR staff recommendation (for example, in relation to penalties) or accompanying papers.
  - explain or provide any other additional information about the matter.
  - investigate any matter further; and/or
  - issue a supplementary Statement of Objections under its direction.
- 14.21** The CDC is accountable to the Board in respect of its general arrangements, but this does not affect its independence in relation to its decisions. In this context, the Chair of each CDC Panel will prepare an annual report on the work of that CDC Panel.

### Case team and party liaison

- 14.22** The Chair of the CDC Panel in any particular case will be the main liaison point for the PSR case team.
- 14.23** The party or parties under investigation will not engage with the CDC directly; day-to-day contact will continue to take place through the case team (under the guidance of the Case Sponsor overseeing the investigation).

## Legal, economic and technical input

- 14.24** The CDC will be advised by PSR case team and its legal, economic and technical advisers, though it may choose to obtain advice from a new adviser from within the PSR or externally if it feels that this is required in order to reach its final view on the decisions it has to take. In such a case, the Chair and the Case Sponsor will discuss what advice is being sought and the Case Sponsor will make appropriate PSR staff team available to the CDC Panel. Where external advice is sought, this will be agreed with and for by the PSR.

## Oral hearings and report of the Procedural Officer

- 14.25** Addressee(s) of the Statement of Objections are invited to make oral submissions to the CDC Panel, but they are not obliged to do so. Any oral hearing will be chaired by the Procedural Officer, in accordance with the CA98 Rules.
- 14.26** The CDC Panel will indicate to the case team any matters it wishes to cover at the oral hearing and discuss other relevant issues with the case team (which could include considering a multi-party hearing or if interested third parties should be present).
- 14.27** During the oral hearing, both the CDC Panel and PSR staff present may ask questions about the addressee's written representations or questions of clarification. There is no obligation on the addressee to respond, and it may respond to questions in writing after the hearing.
- 14.28** Following the oral hearing, the Procedural Officer will report to the CDC Panel, indicating any procedural issues that have been brought to the attention of the Procedural Officer during the investigation and confirming whether the parties' right to be heard has been respected, including an assessment of the fairness of the procedure followed in the oral hearing.

## Quorum

- 14.29** The CDC Panel is composed of three CDC members, who are appointed to act as decision-makers in any particular case. At least two members must be present to form a quorum.
- 14.30** Decisions require at least two members of the CDC Panel to be in agreement. Dissenting opinions will not be published.

## Notice of Meetings

- 14.31** The Secretariat shall make the arrangements for each meeting, including confirming the availability of each CDC member.
- 14.32** Unless otherwise agreed, confirmation of the arrangements for each meeting shall be forwarded to each CDC member and any other relevant person as soon as practicable before the date of the meeting, together with the papers to be considered at the meeting.
- 14.33** Attendance at meetings may be by telephone or similar facility. Decisions may also be taken in writing including email or other electronic means. The CDC Panel meets in private.

## Minutes of Meetings

- 14.34** The Secretariat will make and retain appropriate records of the decisions taken by the CDC and CDC Panels.

## Resources

- 14.35** The CDC shall have access to sufficient resources in order to carry out its duties including, in particular, the Secretariat.
